## ARTICLE II

### PROPERTY SUBJECT TO THIS DECLARATION

This article describes the real property which Oak Ridge at High Springs will initially comprise, and provides the method by which additional property may be added.

2.1 Initial Property. The property initially subject to this Declaration consists of the property shown on the plat of Oak Ridge at High Springs.

2.2 Annexation of Additional Property.

(a) Parties Authorized to Annex Property. Additional property may be annexed by the following parties:

(i) By Declarant. Unless waived by recorded instrument, Declarant will have the right, but not the obligation, from time to time in its sole discretion, to annex any property to Oak Ridge at High Springs, if the property is adjacent to or abuts any property shown on the Plat. In determining whether the property to be annexed is adjacent to or abuts the property shown on the Plat, Declarant may disregard any roads that are situated between the property shown on the Plat and the property to be annexed.

(ii) By Community Association. Additional property may be annexed to Oak Ridge at High Springs by the Community Association, but only after the termination of the Class B Membership.

(b) Procedure. The party effecting the annexation shall record a Supplemental Declaration in the Public Records. The Supplemental Declaration shall be executed by either Declarant, its assigns, or the president of the Community Association. The Supplemental Declaration shall contain the legal description of the property being annexed. The Supplemental Declaration may contain special provisions applicable to the property being annexed. These special provisions may limit the applicability of specific covenants, restrictions, and easements contained in this Declaration to the annexed property or

INSTRUMENT # 2297055  
24 PGS

may impose additional or different covenants, conditions, or restrictions to reflect the different character of the property being annexed. The party making the Supplemental Declaration will have sole discretion to determine the special provisions to be contained in the Supplemental Declaration; however, no special provisions may be included that exempt the owners of the property being annexed from equitably sharing in common expenses. Upon recording the Supplemental Declaration, the annexed property will become part of Oak Ridge at High Springs.

2.3 Further Subdivision or Replat of Lots. Owners (other than Declarant) may not subdivide or separate any Lot into smaller lots; however, this shall not prohibit corrective deeds or similar corrective instruments. An Owner may, by recording an instrument to that effect in the Public Records, combine two or more Lots for a single homesite, whereupon the combined property will be deemed to be a single Lot for all purposes. Declarant shall have the right to modify the Plat to make adjustments to Lot boundary lines if the Owners of the affected Lots consent. Declarant may make other adjustments to the Plat if Owners are not materially affected or if all Owners who will be materially affected consent to the modification. Owners shall not unreasonably withhold their consent to an adjustment, and consent will be deemed given if an Owner does not object in writing to a request for the Owner's consent. Declarant also may replat a Lot or Lots to Common Property, to roadway, or to other legal purpose, without the consent of the other Owners, whereupon such replatted Lot or Lots will no longer be deemed a "Lot." Declarant also may establish additional easements on a Lot or Lots without the consent of the other Owners.

### ARTICLE III

#### ARCHITECTURAL REVIEW AND CONSTRUCTION REQUIREMENTS

To ensure that the homes and accessory buildings within the neighborhood are harmonious, Declarant will create an architectural review committee to approve all construction. Although certain requirements are specified herein, the architectural review committee will not be limited to the specific requirements but rather will have broad discretion.

##### 3.1 Architectural Review Committee.

(a) **Composition.** The Architectural Review Committee will consist of a single person or a committee of persons selected by Declarant. Declarant may temporarily delegate this right to appoint members or may assign this right by written instrument recorded in the Public Records. Members of the Architectural Review Committee will serve at the pleasure of the entity entitled to select the members and may be replaced at any time. If Declarant (or assignee) fails to appoint at least one person to the Architectural Review Committee and the vacancy continues for 30 days after the Community Association gives written notice to Declarant (or assignee) of the vacancy, the Community Association will have the right to appoint the members of the Architectural Review Committee until such time as Declarant (or assignee) exercises its right of appointment.

(b) **Professional Advisor.** The Architectural Review Committee may employ one or more architects or land planners to advise the Architectural Review Committee. Each advisor may sit on the Architectural Review Committee as either a voting or nonvoting member, at the discretion of the other members of the Architectural Review Committee. At the discretion of the Architectural Review Committee, the advisor may be paid a reasonable fee derived from application fees, or payable by the Community Association from the General Assessment.

INSTRUMENT # 2297055

### 3.2 Architectural Review Procedure.

(a) **Construction Subject to Review.** All construction, improvements, remodeling, or modification on or to a Lot, except interior alterations not affecting the external appearance of the Lot or improvements on a Lot, must be approved in advance by the Architectural Review Committee. This specifically includes, but is not limited to, painting or other alteration of a building (including doors, windows, and trim); replacement of roof or other parts of a building other than with duplicates of the original material; installation of antennas, satellite dishes or receivers, solar panels, or other devices; construction of fountains, swimming pools, whirlpools, or other pools; construction of privacy walls or other fences or gates; addition of awnings, flower boxes, shelves, statues, or other outdoor ornamentation; addition of window coverings; installation of a well; and initial landscaping and any material alteration of landscaping. This right is general and is not limited to the specific items listed in this paragraph or in Paragraph 3.4. Construction effected by or on behalf of Declarant will not be subject to approval by the Architectural Review Committee.

(b) **Application.** The plans to be submitted for approval shall include (i) the construction plans and specifications, including all proposed clearing and landscaping; (ii) elevations of all proposed improvements; (iii) a lot survey showing current improvements; and (iv) any other items as the Architectural Review Committee requires. No construction on any Lot shall be commenced and no Lot shall be modified except in accordance with the submitted plans. Any modification to the approved plans must be also reviewed and approved by the Architectural Review Committee.

(c) **Basis for Decision.** The Architectural Review Committee, in making its decisions, may consider purely aesthetic matters that in the sole opinion of the Architectural Review Committee will affect the desirability or suitability of the construction. The Architectural Review Committee will not be limited to the specific restrictions and requirements of this Article in making its decisions.

(d) **Application Fee; Deposit.** The Architectural Review Committee may establish procedures for the review of applications and impose a reasonable fee to be paid by the applicant. The Architectural Review Committee may also require an applicant to post a security deposit to ensure that all work is effected only in accordance with approved plans. The Architectural Review Committee may retain the security deposit until all work has been completed in accordance with the approved plans.

(e) **Notification of Approval.** The Architectural Review Committee must notify an applicant in writing of its decision within 30 days of receiving a completed application. If approval or disapproval is not given within 30 days after submission of a completed application, the application will be deemed approved unless the applicant agrees to an extension.

(f) **Enforcement.** If any construction or modification is undertaken that has not been approved or that deviates substantially from the approved plans, Declarant or the party delegated or assigned Declarant's right to appoint the Architectural Review Committee may bring an action for specific performance, declaratory decree, or injunction, and will be entitled to recover all costs of the action including attorneys' fees at trial or on appeal. Any action shall also determine entitlement to any retained security deposit. When Declarant (and its affiliates) owns no Lots within Oak Ridge at High Springs, each Owner will have the right to enforce these provisions. The failure to strictly enforce these provisions as to a particular violation or violations will not be deemed a waiver to enforce these provisions as to future or continuing violations.

3.3 **Liability.** The Architectural Review Committee and Declarant will not be liable to the applicant or to any other party for inadequacy or deficiency in the plans resulting in defects in the

INSTRUMENT N 2297055  
24 PGS

improvements, and will not be obligated to ensure either that the proposed plans comply with any applicable building codes or that construction was done in accordance with the plans.

3.4 Specific Restrictions. The following restrictions shall apply to the Lots; however, the Architectural Review Committee will not be limited to these items when reviewing plans and will have broad discretion in the interpretation of these restrictions.

(a) Residential Building. No building may be erected, placed, or permitted to remain on any Lot other than one single-family dwelling, a garage, and, if approved by the Architectural Review Committee, accessory buildings that do not furnish residential accommodations for an additional family.

(b) Building Restriction Lines. No dwelling shall be located nearer to the streets or adjacent Lots than the applicable building setback requirements on the applicable Plat.

(c) Minimum Floor Space. Each single-story dwelling located on a Lot must contain at least 1300 square feet of floor area, and each multistory dwelling located on a Lot must contain at least 1500 square feet of floor area, of which 750 square feet must be on the first floor. "Floor area" means only enclosed livable floor area and does not include garages, porches (open or with screened enclosures), terraces, or patios.

(d) Garages. Unless otherwise specifically approved by the Architectural Review Committee, no building may be constructed separate and apart from the dwelling. Each dwelling must have an enclosed garage to accommodate at least one car. No carports will be permitted. Without the prior written approval of the Architectural Review Committee, no garage may be enclosed permanently or converted to another use without the substitution of another garage on the Lot, which garage must meet the requirements of this Declaration.

(e) Driveways. All Lots must have a paved driveway of stable and permanent construction extending from the adjacent street to the dwelling. All driveways must be of concrete, concrete pavers, or other approved material. No asphalt or stamped concrete shall be permitted.

(f) Exterior Color and Materials. The color and materials of all exterior surfaces will be subject to approval of the Architectural Review Committee. The Architectural Review Committee may promulgate a list of approved colors and materials for this purpose. This restriction includes window tints and films.

(g) Pools, Play Facilities, and Lighting. All recreation facilities constructed or erected on a Lot, including, but not limited to, swimming pools and any other play or recreation structures, basketball backboards, platforms, playhouses, dog houses, or other structures of a similar kind or nature must be adequately walled, fenced, or landscaped in a manner specifically approved by the Architectural Review Committee before the facility is constructed or erected. All exterior lighting must be specifically approved by the Architectural Review Committee.

(h) Non-Interference with Easements. No structure, planting, or other material may be placed or permitted to remain on a Lot if it may damage or interfere with the installation and maintenance of any entry-way, hedge, planting, tree, grass, fence, or other improvement or landscaping located within the Common Property or Drainage Easement. Any easement area located on a Lot and all improvements on an easement area shall be maintained by the Owner of the Lot on which the easement area lies, except for those easement areas the maintenance of which is the responsibility of a public authority, a public utility, or the Community Association. In any event, an Owner may not interfere with the maintenance of an easement area on the Owner's Lot by the party responsible for maintaining the

INSTRUMENT # 2297035  
24 PGS

easement area. This provision may be enforced by any person or party benefitting from the easements, or responsible for the maintenance of them.

(i) **Utility Connections.** Connections for all utilities, including, but not limited to, water, sewage, electricity, telephone, and television, must be run underground from the connecting point of the utility to the dwelling in such a manner as is acceptable to the respective utility authority or company and the Architectural Review Committee. Wells may be installed only for irrigation purposes. All well heads shall be covered with fitted well cover approved by the Architectural Review Committee.

(j) **Air Conditioning Units.** No window or wall air conditioning unit will be permitted on any Lot.

(k) **Mailboxes.** All mailboxes or other receptacles of any kind for use in the delivery of mail, newspapers, magazines, or similar material shall be erected or permitted in only the location approved by the Architectural Review Committee and must be constructed according to a size, design, and material approved by the Architectural Review Committee. Separate paper boxes (newspaper receptacles or tubes) shall not be permitted.

(l) **Antennae, Aerials, and Satellite Dishes.** No antennae or aerial may be placed on any Lot or affixed to the exterior of any building, and no antennae or aerial placed or affixed within a building may extend or protrude beyond the exterior of the building or in any way be visible from outside the building. No satellite dish visible either from a street, road, Common Property, or other Lot, may be placed on any Lot, or affixed to the exterior of any building, without the prior written approval of the Architectural Review Committee. These restrictions will not apply to a community clubhouse or similar facility constructed by Declarant or the Community Association.

(m) **Clothes Drying Area.** No clotheslines or other facilities or apparatus for the drying of clothes outside of a dwelling shall be constructed or maintained on a Lot if viewable from other Lots, Common Property, or adjacent roads.

(n) **Signs.** The size, color, and design of all signs located on a Lot will be subject to the approval of the Architectural Review Committee. No sign of any kind shall be displayed to general view on any Lot (whether free-standing, attached to a Building, or displayed in a window) except under any of the following circumstances:

(i) Directional or traffic signs may be installed by the appropriate governmental authority, by Declarant, or by the Board, and entrance or other identification signs may be installed by or with the consent of the Architectural Review Committee;

(ii) Declarant may display signs for the sale of Lots, and homes, and promotion of the subdivision;

(iii) One "For Sale" sign not more than two square feet (as measured on each side of the sign) may be displayed on a Lot by the Owner or the agent for such Owner; and

(iv) A name plate and address plate in size and design approved by the Architectural Review Committee may be displayed on a Lot.

(o) **Fences.** No fences, except as may be required by law or government regulation, may be erected on any Lot without prior written approval of the Architectural Review Committee. The Architectural Review Committee may specify the height, location, and material as conditions of any

24 PGS

approval. As a general guideline (and not as a limitation on the discretion of the Architectural Review Committee), all fences shall be natural, pressure treated, unpainted wood in shadow box design. Fences shall be located only where indicated on plans approved by the Architectural Review Committee, but generally will be permitted only in the rear and side yards of a Lot. Accordingly, fences will not be permitted closer to the street than ten feet behind the front face of the dwelling located on a Lot. If the front of the dwelling is irregular in design, the Architectural Review Committee will determine the setback requirement for the fences. These restrictions will not apply to fences constructed by Declarant or the Community Association for purposes such as tennis courts, swimming pools, or along the boundary lines between Oak Ridge at High Springs and other properties; these other fences may be constructed of chain link or other material. Declarant may construct fences across any portion of the front yard and driveway of any model home, and such fences shall be removed upon sale of the model home.

3.5 Temporary Structures. No structure of a temporary nature, whether a trailer, tent, shack, garage, barn, or any other such building, is permitted on a Lot. This restriction excludes temporary buildings used in connection with and during the construction of a dwelling if approved by the Architectural Review Committee.

3.6 Completion of Construction and Repairs. The improvement of a Lot and the construction, repair, or remodeling of any improvement must be diligently and continuously pursued once begun and, in any event, promptly completed. The Architectural Review Committee may, as a condition of approval, impose a deadline to complete construction. In addition to any other remedies, the Architectural Review Committee may impose a fine for each day of violation for work that is not diligently pursued, continued, and completed.

3.7 Sales Offices. Notwithstanding anything in this Declaration to the contrary, Declarant and parties approved by Declarant may construct and maintain sales offices and sales trailers, together with a sign or signs relating thereto, on a Lot or Lots or on any other property within Oak Ridge at High Springs until such time as all of the Lots are sold.

3.8 Destruction or Damage to Subdivision Improvements. Owners will be responsible for any and all damage caused to Common Property or subdivision improvements, including, but not limited to, curbs, gutters, water hydrants, sidewalks, power poles, or fences erected by anyone, whether such damage is caused by the Owner or the Owner's employees, agents, invitees, guests, contractors, or subcontractors. Any liability incurred under this provision will be both a personal obligation and an Individual Lot Assessment on the Owner's Lot.

3.9 Trees. No living trees with a diameter of 24 inches or more, when measured at a height of four feet above the natural grade, may be removed, cut down, or destroyed without the prior approval of the Architectural Review Committee, except if the tree poses an immediate danger to life or property. This prohibition will not prohibit the usual and customary pruning or trimming of trees. If this provision is violated, an Owner may be required to replace the subject tree or otherwise mitigate the damage as directed by the Architectural Review Committee. An Owner must use reasonable care to preserve, in good health, all protected trees on the Owner's Lot.

3.10 Conversion of Lots to Other Uses. Notwithstanding anything herein to the contrary, Declarant reserves the right to (i) use any Lot owned by it for the purpose of ingress and egress to any adjoining property, and (ii) cause any Lot to be platted as a right-of-way. Declarant also reserves the right to impose additional easements on any Lot owned by Declarant.

3.11 Other Covenants. The Lots also will be subject to any master covenants recorded in the Public Records for real property including the Lots.

#### ARTICLE IV

##### USE OF PROPERTY; INDIVIDUAL LOTS

The following restrictions are imposed on the use of the Lots to promote a harmonious neighborhood and limit uses that may be a nuisance to other Owners.

4.1 **Residential Use.** No business or commercial building may be erected on any Lot and no business or commercial activity may be conducted on any Lot except for a sales and marketing program of the Lots by Declarant or parties approved by Declarant.

4.2 **Further Subdivision.** Declarant reserves the right to re-subdivide the Lots; however, no residence shall be erected on or allowed to occupy the re-subdivided Lot if the same has an area less than that required by any applicable zoning ordinance. In the event of re-subdivision, all provisions in this Declaration will apply to each re-subdivided Lot as if each re-subdivided Lot had been a Lot as originally shown on the Plat.

4.3 **Leasing.** Leasing of Lots is permitted. Owners will be liable for any violations of this Declaration committed by their tenants.

4.4 **Maintenance of Exteriors.** Each Owner shall at all times maintain in a sightly manner the exterior of all structures on the Owner's Lot and any and all fixtures attached to the structures. If an Owner fails to undertake any necessary repair or maintenance within five days of notice of violation (given by Declarant or the Architectural Review Committee), or fails to complete the work within 15 days of the notice, Declarant or the Community Association may effect the repairs or maintenance to the Owner's Lot to preserve the beauty, quality, and value of the neighborhood, and the cost of these repairs or maintenance plus a 15% administrative fee shall be payable by the Owner to the party effecting the work. If the Owner fails to make this payment within five days of demand, the cost and fee will constitute an Individual Lot Assessment against the Owner's Lot. If the work was effected by Declarant, the Community Association will be responsible to pay the requisite cost and fee to Declarant and collect the same from the Owner. Each Owner grants Declarant, the Community Association, and their respective contractors, employees, and agents a perpetual easement to enter onto the Owner's Lot to carry out the work, and releases those parties from all liability with respect to this work. Additionally, the Community Association may impose a fine for each day this paragraph is violated.

4.5 **Noxious Vegetation.** No Owner may permit the growth of noxious weeds or vegetation on the Owner's Lot or on the land lying between the street pavement and the front lot line of the Owner's Lot. All unimproved areas of a Lot must be maintained in an attractively landscaped and sightly manner. The Community Association may impose a fine for each day this paragraph is violated.

4.6 **Litter, Trash, Garbage.** No garbage, trash, refuse, or rubbish may be deposited, dumped, or kept on any Lot except in closed sanitary containers. Trash containers must be kept inside a garage or otherwise hidden from public view. Trash containers may be placed at the front of the Lot on the day designated for pickup, but only if promptly returned to the proper storage area as soon as possible.

4.7 **Nuisances.** No Owner may cause or permit unreasonable noises or odors on the Owner's Lot. No Owner may commit or permit any nuisance, any immoral or illegal activity, or anything that may be an annoyance or a noxious or offensive activity to the other Owners or their guests. Soliciting within Oak Ridge at High Springs is strictly prohibited without the approval of Declarant or the Community Association.

4.8 **Parking of Wheeled Vehicles and Bonts.** Cars, trucks, tractors, recreational vehicles, and trailers (collectively called "Vehicles") must be kept at all times completely inside a garage and are not permitted to be parked elsewhere on a Lot or on a street within the Plat except as otherwise specifically permitted in this paragraph. Boats and boat trailers, recreational vehicles, and trailers may be kept outside a garage if at all times stored in the back yard of the residence and not within any setback, provided they are screened from the view of any public street or adjoining property and located on a pad constructed of asphalt, concrete or similar material approved by the Architectural Control Committee. An eight foot opaque fence shall be deemed proper screening for a motor home and travel trailer even though such vehicle may extend above eight feet in height. Private cars or trucks up to one ton capacity (exclusive of all other Vehicles) owned by an Owner, Owner's employer or Owner's guests may be parked in the Owner's driveway. Except as specifically permitted above, commercial vehicles may be parked in a street or driveway when necessary for providing services to an Owner, or for pickup and delivery service, but only while undertaking this activity and never overnight. Recreational vehicles, travel trailers, trailers, and campers may be parked in the driveway of a Lot for up to a total of 48 hours per week for loading and unloading only, and never for dwelling purposes. No Vehicles may be repaired or maintained on or adjacent to a Lot, except within a garage. Vehicles engaged in construction of subdivision improvements or dwellings on behalf of Declarant will be permitted within Oak Ridge at High Springs for such purposes. Any other vehicle is not permitted to be parked elsewhere on a Lot or on a street within the Plat except as otherwise specifically permitted by the Architectural Review Committee.

4.9 **Pets.** Up to three "household pets" may be kept at a Lot. All other pets and animals are strictly forbidden to be kept, bred, or maintained within Oak Ridge at High Springs. A "household pet" is a dog, cat, or other common domestic animal approved by the Architectural Review Committee. In no event may any pet, including household pets, be kept, bred, or maintained for any commercial purpose. Each Owner will be strictly responsible for the behavior of his or her household pets. An Owner may not permit a household pet to become a nuisance or annoyance to other Owners. Each Owner will be responsible to immediately collect and dispose of waste and litter from the Owner's pets.

#### ARTICLE V

#### COMMON PROPERTY

The Community Association will own and maintain the Common Property for the benefit of all Members and, when necessary, improve, convey, or lease the property.

##### 5.1 Title to Common Property.

(a) **Ownership.** The Common Property will be owned by the Community Association for the benefit of all owners.

(b) **Conveyance.** The Community Association is authorized to buy or lease real or personal property to be added to the Common Property. After termination of the Class B Membership, the Community Association may (with the consent of Declarant) sell or lease any part of the Common Property; however, membership approval is not needed for the Board to sell personal property or to grant easements on real property.

(c) **Dedication.** If the county or municipal government requests that the Community Association convey title to or dedicate the Common Property or any portion of it to the public, the Community Association will be authorized to make the conveyance or dedication, but only with the

INSTRUMENT # 2297055  
24 PGS

approval of the Members. On dedication, all obligations of the Community Association regarding the property so dedicated will cease except for requirements imposed as a condition of the dedication.

5.2 Maintenance; Management; Contracts.

(a) Community Association Responsibility. The Community Association will be responsible for the management, control, and improvement of the Common Property, and must keep it attractive, clean, and in good repair in accordance with this Declaration and applicable governmental regulations.

(b) Management Agreements. The Community Association may contract with Declarant, or any other party, for the performance of all or any portion of the management of the Community Association and the Community Association's maintenance and repair obligations. Management costs will be included within the Assessments. The property manager for the Community Association and its employees, officers, contractors, and assigns will have the right to use the Common Property without liability for Assessments or other charges, as more particularly specified in the management agreement.

5.3 Capital Improvements. The Community Association may make capital improvements to the Common Property and may modify the uses of the Common Property.

5.4 Damage or Destruction of Common Property by Owner. If any Owner or any guest, tenant, licensee, agent, employee, family member, or pet of an Owner damages any of the Common Property as a result of negligence or misuse, the Owner hereby authorizes the Community Association to repair the damage. The cost of repair will be the responsibility of that Owner and will become an Individual Lot Assessment payable by the responsible Owner.

5.5 Compliance with Laws. Lots and the Common Property may be used and must be maintained in accordance with all applicable laws, ordinances, and regulations, including, without limitation, all regulations and requirements of the Suwannee River Water Management District and the Florida Department of Environmental Protection.

5.6 Rules for Use of Common Property. Members will have the right to use the Common Property only in accordance with the terms of the Rules initially made by Declarant and revised from time to time by the Community Association. The Rules may restrict the time of use, provide for the reservation of certain recreation facilities, provide limitations on use of the Common Property by a Member's guests and lessees, and provide for the imposition of a fee or charge for use of certain facilities, provided the fee or charge is uniformly assessed. No Member will be entitled to any rebate or reduction in the Member's Assessments on account of any restrictions imposed on the Member's use of the Common Property. The Rules will be kept at the offices of the Community Association, and copies will be made available without charge to any Member requesting them.

5.7 Drainage System Located in Common Property. The Community Association will be responsible for the maintenance, operation, and repair of that portion of the Drainage System as is located on Common Property. Maintenance means the exercise of practices that allow the system to provide drainage, water storage, conveyance, or other stormwater management capabilities as permitted by the Suwannee River Water Management District. Any repair or reconstruction of the Drainage System shall be as permitted or, if modified, as approved by the Suwannee River Water Management District.

## ARTICLE VI

### GRANT AND RESERVATION OF EASEMENTS

Every Owner has the benefit of certain easements and the responsibility for others.

6.1 Owners' Easement of Enjoyment of the Common Property. Every Owner will have a right and easement of enjoyment in and to the Common Property, subject to the restrictions imposed in this Declaration or in the Rules. This easement will be appurtenant to and shall pass with title to every Lot. Any Owner, subject to the provisions of this Declaration, the Articles, the Bylaws, and the Rules, may delegate the Owner's right to enjoyment of the Common Property to the Owner's family, tenants, and guests.

6.2 Easements in Favor of Declarant and Community Association. Declarant reserves for itself, for its successors and assigns, and for the Community Association the following perpetual easements:

(a) Utilities. Easements, for ingress, egress, installation, replacement, repair, and maintenance of all public and private utilities and conveniences, on all property subject to Public Utility Easements as shown on the Plat; across, over, through, and under the Common Property; and five feet in width along the front, rear, and side line of each Lot. This easement shall be automatically deemed abandoned as to the interior side Lot lines if two or more Lots are combined into a single home site.

(b) Police Powers; Security. A blanket easement throughout Oak Ridge at High Springs for police powers and services supplied by the local, state, and federal governments and for any security services that may be provided by the Community Association.

6.3 Easement to Construct Recreation Facilities. Declarant reserves to itself and its employees, contractors, and assigns, an alienable assignable easement on, under, and through the Common Property for the purpose of constructing the Recreation Facilities.

## ARTICLE VII ASSOCIATION ORGANIZATION

Although Declarant will control the Community Association during the development stage, the Owners eventually will be responsible for the continuation of the Community Association.

7.1 Membership. Every Owner is a mandatory Member of the Community Association. Membership is appurtenant to and may not be separated from title to any Lot.

7.2 Voting Rights. The Community Association will have two classes of voting membership:

(a) Class A. Class A Members are all Owners of Lots other than Declarant, while Declarant is a Class B Member. Class A Members will be entitled to one vote for each Lot owned.

(b) Class B. The Class B Member is Declarant, who shall be entitled to 10 votes in all matters for each Lot owned by the Class B Member or its affiliates. Declarant may assign its Class B Membership. The Class B Membership will end and be converted to Class A Membership three months after the first to occur of the following events:

INSTRUMENT # 2297055  
24 PGS

(i) The total votes outstanding in the Class A Membership equals the total votes outstanding in the Class B Membership;

(ii) All phases of Oak Ridge at High Springs have been completed and made subject to this Declaration, and 90% of the Lots within Oak Ridge at High Springs have been conveyed to Members other than the Class B Members; or

(iii) Declarant chooses to become a Class A Member, as evidenced by instrument to that effect, executed by Declarant and Declarant's mortgagees holding a mortgage encumbering Oak Ridge at High Springs or a portion thereof, which is recorded in the Public Records.

7.3 **Exercise of Vote.** When more than one person holds an interest in any Lot, all of them shall be Members; however, the number of votes for that Lot will not be increased, and the Members must determine among themselves how the vote for that Lot may be exercised. Corporations, partnerships, and other entities must notify the Community Association of the natural person who will be considered a Member of the Community Association and be entitled to exercise its vote.

#### 7.4 **Board of Directors.**

(a) **Composition.** The Board initially will consist of at least three persons appointed by Declarant. On termination of the Class B Membership, the Board will consist of at least three directors, selected in accordance with the Articles and Bylaws, but in any event, the number of directors must always be three or a multiple of three.

(b) **Classes.** Each director will be appointed or elected to one of three classes: Class 1, Class 2, or Class 3. Directors will be elected by class to provide for staggered terms. If the number of directors is increased, it shall be in multiples of three, and each new position must be assigned to a class so that each class will have an equal number of directors.

(c) **Term of Office.** The initial term for the Class 1 director will be for one year. The initial term for the Class 2 director will be for two years. The initial term for the Class 3 director will be for three years. Subsequent terms for directors of any class will be for three years; however, directors will always serve until resignation, removal, or the election of their successors.

(d) **Qualifications.** After termination of the Class B Membership, each director must be a Member. If a director ceases to be a Member during the term of office, that person will be automatically removed from the Board, effective when he or she ceases to be a Member.

(e) **Voting Procedure.** At each annual meeting, the Members will elect the directors to replace the directors of the class whose term of office is then expiring. Each Class A Member will have one vote for each seat to be filled, and the Class B Member will have 10 votes for each Lot owned by the Class B Member or its affiliates. No cumulative voting will be permitted. The candidate(s) receiving the highest number of votes will be declared elected. If there is a tie vote, the Class B Member will be given one additional vote and the opportunity to cast that vote to break the tie. The meeting will, in other respects, be conducted in accordance with the Articles and the Bylaws.

(f) **Removal.** Any director may be removed from office, with or without cause, by at least a majority vote of the Members.

(g) **Vacancies; Replacement of Directors.** Any vacancy occurring in positions as director may be filled by a majority vote of the remaining Board members. If the remaining Board

INSTRUMENT # 2297055  
24 PGS

members do not constitute a quorum, a special meeting of the Community Association may be called by any officer, or by any Member, to elect new members to the Board.

(h) Compensation. Directors will not receive compensation for their services unless approved by the Members. This will not prevent a Class B Member, or an affiliate of a Class B Member, from being compensated for management or other services.

7.5 Relationship to Articles and Bylaws. The Articles and Bylaws will govern all matters of the Community Association not set forth in this Declaration. The terms of this Declaration will prevail over any conflicting provisions in the Articles and Bylaws.

7.6 Duties of Association and Owners. The Association and ultimately the Owners of any real property located within the Association will be responsible for the maintenance, operation and repair of the Surface Water or Storm Water Management System as required by the permit issued by the District and other applicable District rules. Maintenance of the Surface Water or Storm Water Management System(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other Surface Water or Storm Water Management capabilities as permitted and/or required by the District. Any repair or reconstruction of the Surface Water or Storm Water Management System shall be as permitted or, if modified, as approved by the District.

#### ARTICLE VIII

#### OPERATION OF ASSOCIATION AND BOARD

Most day-to-day decisions about the maintenance of the Common Property and enforcement of the Declaration are the responsibility of the Board, acting on the Members' behalf. For those decisions requiring Members' approval, the Community Meeting provides a public opportunity for discussion.

##### 8.1 Annual Meeting.

(a) When Called. The Annual Meeting will be called every year for the election to the Board of the class of directors whose term then expires and for other business requiring approval of the Members. The meeting date shall be as determined by the Articles and Bylaws.

(b) Quorum. Voting at an annual meeting requires the presence of (i) Members (in person or by proxy) representing 25% of votes, and (ii) Declarant or its representative as long as Declarant owns at least one Lot.

(c) Notice. Notice of the annual meeting may be given by (i) mailing a notice to each Member at the last address furnished to the Community Association, (ii) delivering notices to the Member's dwellings or Lots, or (iii) posting conspicuous notices for the meeting in the Common Property. Notice should be given at least 30 days before the annual meeting.

##### 8.2 Board Meetings.

(a) Board's Responsibility. Except as specifically provided in this Article or elsewhere in this Declaration, the Board has been delegated the power, and has the authority, to act on behalf of the Community Association in all matters.

(b) Quorum. Voting at a Board meeting requires presence of at least 1/2 of the directors (in person or by proxy). Except as prohibited by law, action required to be taken by vote of the

INSTRUMENT # 22970355  
24 PGS

Board may be taken in the absence of a meeting by obtaining the written approval of a majority of the Board.

(c) Notices. Notices of all meetings of the Board shall be posted in a conspicuous place in the Common Property 48 hours in advance, absent emergency. If the Board desires to levy an assessment at a meeting, the notice must include a statement describing the assessment being considered. All meetings must be open to the Members, except for meetings permitted by law to be closed.

8.3 Record Keeping. The Board shall keep, or cause to be kept, a record of all meetings, both of the Board and of the Community Association. For each action taken, the record must state the vote and a description of the action approved, and, if applicable, the reasons why the action was considered necessary, and a summary of the information on which the decision was based. The record must be available for inspection by any Member, except for records of closed meetings of the Board. Officers may be elected by the Board by secret ballot.

#### ARTICLE IX

#### ASSOCIATION BUDGET

To fulfill its obligation to maintain the Common Property, the Board is responsible for the fiscal management of the Community Association.

9.1 Fiscal Year. The fiscal year of the Community Association will begin January 1 of each year and end on December 31 of that year. The Board may elect another fiscal year. The Board must prepare an annual Budget.

9.2 Budget. A copy of the budget must be provided to each Member or a notice must be given to the Members that a copy of the budget is available upon request and without charge. The annual budget will estimate total expenses to be incurred by the Community Association in carrying out its responsibilities. The budget must include the following:

(a) The cost of wages, materials, insurance premiums, services, supplies, and other expenses for the rendering of all services required or permitted under this Declaration.

(b) Reasonable amounts, as determined by the Board, for working capital for the Community Association and for reserves.

(c) Fees for professional management of the Community Association (which may include Declarant), legal counsel, and accounting.

(d) Taxes, if the Common Property is taxed separately from the Lots.

(e) An itemized list of all fees or charges for recreational amenities.

(f) An estimate of revenues from the General Assessment.

9.3 Reserves. The Community Association shall accumulate and maintain adequate reserves for working capital, contingencies, and replacements, to be included in the annual budget and collected as part of the annual General Assessment. This shall not occur until the termination of Declarant's guarantee described in Paragraph 10.2 of this Declaration. Extraordinary expenses not originally included in the annual budget will be charged first against these reserves. Except in the event of an emergency, reserves

INSTRUMENT # 2297055  
24 PGS

accumulated for one purpose may not be expended for any other purpose. If there is an excess of reserves at the end of a fiscal year, the excess may be used to reduce the following year's assessments.

9.4 Preparation and Approval of Annual Budget.

- (a) Initial Budget. Declarant will prepare the first annual budget.
- (b) Subsequent Years. Budgets other than the initial budget will be prepared at the direction of the Board at least one month before the end of the fiscal year. The budget and the annual General Assessment must be adopted by a majority of the Board.

9.5 Effect of Failure to Prepare or Adopt Budget. The Board's failure or delay in preparing or adopting the annual budget for any fiscal year will not waive or release a Member's obligation to pay General Assessments, whenever the amount of such assessments is finally determined. In the absence of an annual Community Association budget, each Member shall continue to pay the assessment at the rate established for the previous fiscal period until notified otherwise.

9.6 Financial Reporting. The Board shall prepare an annual financial report for the Community Association within 60 days of the close of the fiscal year, and provide each Member with either a copy of the report or a notice that a copy is available without charge. The report must be in the form required by section 617.303(7), Florida Statutes.

9.7 Capital Improvements. The Board shall determine whether capital improvements should be paid from General Assessments or by Special Assessment. If the cost of all capital improvements to be paid within a single year totals more than 25% of the Community Association's annual budget, the capital improvements must be approved by majority vote of the Members. Any repair or replacement of existing improvements will not be considered a capital improvement.

9.8 Reserves shall be kept separate from other Community Association funds. All other sums collected by the Board with respect to Assessments and charges of all types may be commingled in a single fund.

9.9 Amendment of Budget. The Board may amend the budget during any fiscal year and increase the amount of the annual General Assessment for that year if it appears that there will be insufficient income to meet the obligations of the Community Association.

ARTICLE X  
COVENANTS TO PAY ASSESSMENTS

The cost of fulfilling the Community Association's financial obligations is divided equitably among the Members by means of Assessments. To ensure that the Community Association has a reliable source of funds and to protect those Members who contribute their equitable share, assessments are mandatory and are secured by both a lien on the Lots and the Member's personal obligation.

10.1 Obligation for Assessments. Assessments Each owner of a lot, by acceptance of a deed for such lot, whether or not it is expressed in the deed, agrees to pay assessments as provided in these Covenants and Restrictions as follows:

- (a) Initial Assessment to fund the Community Association.
- (b) General Assessment for expenses included in the budget.

**INSTRUMENT # 2297055**

**24 PGS**

- (c) Special Assessments for the purposes provided in this Declaration.
- (d) Individual Lot Assessments for any charges particular to that Lot.

10.2 **Guarantee of Class B Member.** The Class B Member agrees that it will be obligated to pay any operating expenses of the Community Association in excess of the revenue derived from the Assessments, including any increases made during a fiscal year, until the end of the first fiscal year of the Community Association. This obligation is called the "Budget Guarantee." The Class B Member may elect to renew the Budget Guarantee on an annual basis. In return for the Budget Guarantee, the Class B Member and its affiliates will not be liable for any Assessments on any Lots it owns. A Lot exempt from Assessments pursuant to this paragraph is referred to as an "Exempt Lot."

10.3 **Equitable Division of Assessments.** The General Assessment and Special Assessments shall be assessed among all Lots as follows:

- (a) Exempt Lots will not be subject to assessment.
- (b) The General Assessment and Special Assessment will be payable by class. It is the intent that Vacant Lots be assessed significantly less than Improved Lots. The classes will be "Improved Lots" and "Vacant Lots" respectively. Lots unimproved by a dwelling other than a model home (not occupied as a dwelling) will constitute the "Vacant Lots" class and all other Lots will constitute the "Improved Lots" class. Each Lot in the Vacant Lots class will be subject to a sum equal to the respective General Assessment or Special Assessment divided by the number of all Lots, excluding Exempt Lots, multiplied by 10%. The remainder of the respective General Assessment or Special Assessment will be assessed equally among the Lots in the Improved Lots class, excluding Exempt Lots.

10.4 **Initial Assessment.** Each purchaser of a Lot from the Declarant shall pay an Initial Assessment of \$180 to the Community Association at time of purchase. The Initial Assessment shall apply only to the initial lot sale and not any subsequent sale. The Initial Assessment shall not be in lieu of any other assessment set forth in Article X, Section 10.1.

10.5 **General Assessment.**

- (a) **Establishment by Board.** The Board will set the date or dates the General Assessment will be due, and it may provide for payment in monthly, quarterly, semiannual, or annual installments.
- (b) **Proration on Sale of Exempt Lot or Loss of Exemption.** On conveyance of an Exempt Lot, or on an Exempt Lot becoming subject to Assessments because of the Class B Member not extending the Budget Guarantee, the annual General Assessment will become due for the Lot(s). However, the General Assessment will be prorated on a monthly or daily basis, whichever the Board elects, and only the portion of the General Assessment attributable to the remainder of the fiscal year will be due. The portion of the General Assessment attributable to the portion of the fiscal year in which the affected Lot was an Exempt Lot will not be assessed. If payment of the General Assessment is by installment, only the applicable portion of the current installment will be due.
- (c) **Late Fee and Interest.** The Board may impose a reasonable late fee. Additionally, interest will accrue at the highest lawful rate on delinquent payments.

INSTRUMENT # 2297055  
24 PGS

10.6 Special Assessment. In addition to the General Assessment, the Board may levy, in any fiscal year, a Special Assessment applicable as follows:

(a) Capital Improvements. Any capital improvement that has been approved in accordance with this Declaration.

(b) Emergency Assessment. By a 2/3 vote, the Board may impose a Special Assessment for any unusual or emergency maintenance or repair or other expense that this Declaration requires the Community Association to pay (including, after depletion of reserves, any unexpected expenditures not provided by the budget, or unanticipated increases in the amounts budgeted and including payments due for the Recreation Facilities Charge).

(c) Exemption. Exempt Lots will not be subject to Special Assessments, nor will an Exempt Lot be subject to payment of any Special Assessment, or any portion thereof declared or assessed while the Lot was an Exempt Lot, even if payments for the Special Assessments are made in installments becoming due after the Lot no longer is considered an Exempt Lot. [For example, if a Special Assessment is declared on January 1 while Lot 37 is an Exempt Lot, but the payment of the Special Assessment is not required until March of the same year, then even if Lot 37 is not an Exempt Lot as of February of that year, Lot 37 will still be considered exempt from the Special Assessment.]

10.7 Special Assessments for Surface Water or Storm Water Management System. The Association shall levy a special assessment for the purpose of defraying in whole or in part the cost of the maintenance, operation and repair of the Surface Water or Storm Water Management System and any and all other costs incurred to comply with the terms and provisions of the permit issued by the District. Such special assessments shall be levied by the Board of Directors of the Association with or without approval of the membership of the Association. Special assessments shall be due and payable within 90 days of the assessment being levied.

(a) Any assessment not paid within 90 days of its due date shall be delinquent, and shall bear interest from the due date at the highest lawful rate until paid in full, and the Association shall have the right to file a lien in the public records of Alachua County, Florida, to secure payment of all amounts due. The total amount due shall be a continuing lien on the real property described in the lien until paid in full, and the Association may bring a civil action to foreclose the lien. The lien of any assessment is subordinate to the lien of any first mortgage. A sale or transfer of any lot or real property encumbered by such a lien shall not affect the validity or enforcement of the lien.

10.8 Individual Lot Assessments. The Community Association may levy at any time an Individual Lot Assessment against a particular Lot for the purpose of defraying, in whole or in part, the cost of any special services to that Lot, or any other charges designated in this Declaration as an Individual Lot Assessment. An Individual Lot Assessment may be levied on account of any legal expenses (at trial or on appeal) and costs incurred by the Community Association in enforcing this Declaration, or in enforcing any other declaration the Community Association is authorized to enforce.

10.9 Effect of Nonpayment of Assessment; Remedies.

(a) Personal Obligation. All Assessments, together with any late fees, interest, and costs of collection when delinquent, including reasonable attorneys' fees (at trial or on appeal) whether or not a lawsuit is brought (collectively, the "Assessment Charge"), shall be the personal obligation of the person or entity who was the Owner of the Lot at the time the Assessment Charge was levied, and of each subsequent Owner. No Owner may waive or otherwise escape liability for the Assessment Charge by abandonment of the Lot.

INSTRUMENT # 2297055  
24 PGS

(b) **Creation of Lien.** The Assessment Charge also shall be a continuing lien on the Lot against which the Assessment Charge is made, which lien is effective on recording a claim of lien, but relating back to and having a priority as of the date of this Declaration. This lien in favor of the Community Association will secure the Assessment Charge that is then due and that may accrue subsequent to the recording of the claim of lien and before entry of final judgment of foreclosure. The lien in favor of the Assessment Charge is subject to the subordination provisions of Paragraph 10.8(d).

(c) **Lawsuit for Payment; Foreclosure of Lien.** The Community Association may bring an action at law against the Owner personally obligated to pay the Assessment Charge, or may foreclose the lien in a manner similar to foreclosure of a mortgage lien, or both. The Community Association, acting on behalf of the Owners, shall have the power to bid for an interest in any Lot foreclosed at foreclosure sale and to acquire, hold, lease, mortgage, and convey the Lot.

(d) **Subordination of the Lien to Mortgages.** The lien of the Assessment Charge will be inferior to the first mortgage lien of any Mortgagee. Sale or transfer of any Lot by foreclosure of a mortgage, including a deed in lieu of foreclosure, shall extinguish the lien as to payments that became due before the sale or transfer.

(e) **Other Remedies.** The Community Association may assess fines and suspend the voting rights and right to use of the Community Property by an Owner for any period during which any Assessment against the Owner's Lot remains unpaid, but only as permitted by law.

10.10 **Certificate of Payment.** The treasurer of the Community Association or the manager of the Community Association, on request of any Owner, shall furnish a certificate signed by a member of the Board or by the manager, if authorized by the Board, stating whether any Assessments are owed by that Owner. The Board may establish a reasonable fee for the certificate. The certificate will be conclusive evidence of payment of an Assessment through the date of the certificate.

## ARTICLE XI

### INSURANCE AND INDEMNITY

Insurance is essential to protect the interests of the various Owners and to ensure that funds will be available for rebuilding after a casualty. However, because insurance costs may increase significantly or new types of coverage may be available, this Article gives some flexibility to the Board to select insurance coverage that is reasonable for the conditions that exist at that time.

11.1 **Review of Coverage.** The Board shall review limits of coverage for each type of insurance at least once each year.

11.2 **Casualty Insurance.** The Board shall be required to obtain and maintain fire insurance as appropriate. Endorsements for extended coverage, vandalism, malicious mischief, and windstorm should be obtained if available at reasonable cost. Coverage shall be in an amount not less than necessary to comply with the co-insurance percentage stipulated in the policy, but in any event not less than 80% of the insurable value (based on replacement) of the improvements constructed on the Common Property.

11.3 **Public Liability.** The Board shall obtain public liability insurance in limits as the Board may from time to time determine, insuring against any liability arising out of, or incident to, the ownership and use of the Common Property. Whenever practicable, the insurance should be issued on a comprehensive liability basis and should contain a "severability of interest" endorsement that shall

preclude the insurer from denying the claim of an Owner because of negligent acts of the Community Association, the Board, or other Owners. The insurance must always name Declarant and LDM Construction Company, Inc. as additional insureds until 50 years after the date of this Declaration.

11.4 Director Liability Insurance. The Board may obtain liability insurance insuring against personal loss for actions taken by members of the Board in the performance of their duties. The insurance shall be of the type and amount determined by the Board in its discretion.

11.5 Other Insurance. The Board shall obtain and maintain workers' compensation insurance if and to the extent necessary to meet the requirements of law, and any other insurance as the Board may deem prudent.

11.6 Repair and Reconstruction after Fire or Other Casualty. If fire or other casualty damages or destroys any of the Common Property, the Board shall arrange for and supervise the prompt repair and restoration of the improvements. The Board shall obtain funds for reconstruction first from the insurance proceeds, then from reserves for the repair and replacement of improvements, and then from any Special Assessments that may be necessary after exhausting insurance and reserves.

11.7 Indemnity of Declarant. In consideration of Declarant conveying the Common Property to the Community Association, the Community Association releases, indemnifies, and holds Declarant and its officers, employees, and agents harmless from any and all liability arising out of the Common Property or construction of the Recreation Facilities, and shall defend Declarant against all claims of any third party. This indemnity includes any attorneys' fees and costs incurred by Declarant at trial and on appeal.

## ARTICLE XII

### GENERAL PROVISIONS

This article sets forth rules of interpreting the Declaration, provides for enforcement, and sets forth the procedure to amend the Declaration.

12.1 Incorporation of Land Use Documents. Any and all deeds conveying a Lot shall be conclusively presumed to have incorporated therein all of the terms and conditions of this Declaration.

12.2 Release from Minor Violations. Declarant and the Architectural Review Committee, or either of them, shall have the right, by written instrument, at any time to release a Lot from minor violations of this Declaration or the Plat, including, but not limited to (i) encroachments into easements, (ii) encroachments over building restriction lines, and (iii) construction of less than the required minimum square footage for the dwelling if the square footage is at least 90% of the required minimum.

12.3 Enforcement. The covenants and restrictions contained in this Declaration may be enforced by Declarant, any Owner, and any Mortgagee in any judicial proceeding seeking any remedy recognizable at law or in equity, including an action or lawsuit seeking damages, injunction, specific performance, or any other form of relief, against any person, firm, or entity violating or attempting to violate any covenant or restriction herein. The failure by any party to enforce any covenant or restriction contained herein shall in no event be deemed a waiver of the covenant or restriction, or of the right of the party to thereafter enforce the covenant or restriction. The prevailing party in any enforcement litigation shall be entitled to reasonable attorneys' fees and court costs at all trial and appellate levels. The Suwannee River Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in these Covenants and Restrictions which relate to the maintenance,

**24 PGS**

operation and repair of the Surface Water or Storm Water Management System as well as any and all other provisions contained in these Covenants and Restrictions that in any way relate to the permit issued by the District. The District's right to enforce these Covenants and Restrictions by proceedings at law or in equity shall survive any dissolution of the Association and may be enforced by the District against the Association and/or the Owner(s). Should the district bring an action at law or in equity to enforce any provision of these Covenants and Restrictions and should it be determined in any such proceedings that the Association or any owner(s) breached any of the provisions of these Covenants and Restrictions or failed to completely and timely comply with any of these Covenants and Restrictions, the District shall be entitled to an award of attorneys' fees and costs incurred by the District in such proceedings which shall include attorneys' fees and costs incurred in any administrative and appellate proceedings. The District shall have the right to file a lien in the public records of Alachua County, Florida or any such attorneys' fees and costs awarded to the District by any court or administrative body. All parties agree that any dispute shall be determined by a judge and not a jury, and waive their right to a jury trial in any litigation arising out of this Declaration.

12.4 Assignment. Declarant shall have the right, from time to time, to assign in whole or in part any of its rights or obligations under this Declaration.

12.5 Notices. Notices shall be given to Owners by posting at the Owner's dwelling or vacant Lot, or mailing first class postage prepaid to the Owner's address maintained by the Community Association, or by posting a notice applicable to all Owners at the Common Property, and to Declarant, by sending certified mail to the corporate address of Declarant filed with the Florida Secretary of State.

12.6 Amendment.

(a) Subject to the provisions of Paragraph 12.7, Declarant specifically reserves the absolute and unconditional right, as long as Declarant owns any of the Lots, to amend this Declaration without the consent or joinder of any party to (i) conform to the requirements of the Suwannee River Water Management District, Federal Home Loan Mortgage Corporation, Federal National Mortgage Association, Department of Veterans Affairs, Department of Housing and Urban Development, or any other generally recognized institution involved in the purchase and sale of home loan mortgages; (ii) conform to the requirements of mortgage lenders or title insurance companies; or (iii) perfect, clarify, or make internally consistent the provisions of this Declaration.

(b) Subject to the provisions of Paragraph 12.7, Declarant reserves the right to amend this Declaration in any other manner without the joinder of any party, as long as no Owner's right to the use and enjoyment of the Owner's Lot is materially altered.

(c) Subject to the provisions of Paragraph 12.7, this Declaration may be amended by consent of Owners of 50% or more of the Lots as evidenced by recording an instrument executed by the Owners in the Public Records, provided that no amendment will be effective without the consent of Declarant, or its assigns, until Declarant and its affiliates own no Lots or other property within Oak Ridge at High Springs.

(d) Declarant, without the consent of any party, may bring within the scheme of this Declaration additional land by Supplementary Declaration in accordance with the procedures set forth in Paragraph 2.2.

(e) Any amendment to the Declaration of Covenants and Restrictions which alters any provision relating to the Surface Water or Storm Water Management System, beyond maintenance in

its original condition, including the water management portions of the common areas, must have the prior written approval of the Suwannee River Water Management District.

12.7 **Mortgagee's Consent to Amendments.** This Declaration contains provisions concerning various rights, priorities, remedies, and interests of the Mortgagees. These provisions are to be construed as covenants for the protection of the Mortgagees on which they may rely in making loans secured by mortgages on the Lots. Accordingly, no amendment or modification of this Declaration impairing these rights, priorities, remedies, or interests of a Mortgagee shall be adopted without the prior written consent of Mortgagees holding liens on 30% or more of the Lots encumbered by mortgages to Mortgagees. Each Mortgagee agrees that it will either consent to a proposed amendment or give notice of refusal to consent by written notice to the party requesting consent within 30 days after the request is received. If a Mortgagee does not respond within that time, the Mortgagee's consent will be deemed given, and an affidavit to that effect recorded in the Public Records by the party requesting the consent will be sufficient evidence to make the requested amendment. A photocopy of the documentation proving receipt of the request to the Mortgagee must be attached to the affidavit. This paragraph shall not apply or be construed as a limitation on those rights of Declarant, the Community Association, or the Owners to make amendments that do not adversely affect the Mortgagees.

12.8 **Captions and Statement of Purpose.** Captions inserted throughout this Declaration are intended only as a matter of convenience and for reference only, and in no way shall captions or headings define, limit, or in any way affect any of the terms or provisions of this Declaration. The Statement of Purpose is a summary of general information only, and in no way shall the statement define, limit, or in any way affect any of the terms or provisions of this Declaration.

12.9 **Gender and Plural Terms.** Whenever the context so requires, any pronoun used in this Declaration may be deemed to mean the corresponding masculine, feminine, or neuter form of the pronoun, and the singular form of any noun or pronoun may be deemed to mean the corresponding plural form of the pronoun and vice versa.

12.10 **Severability; Amendments to Laws.** If any one of the provisions of this Declaration shall be deemed invalid by a court of competent jurisdiction, that judicial determination shall in no way affect any of the other provisions of this Declaration, which shall remain in full force and effect. Without limitation of the foregoing, the invalidation of any of the covenants, restrictions, terms, or conditions of this Declaration, or a reduction in the term of the same by reason of the legal rule against perpetuities, shall in no way affect any other provision, which shall remain in full force and effect for the period of time as may be permitted by law. Any amendment to applicable law that has the effect of reducing the rights of Declarant, increasing the liabilities of or duties imposed on Declarant, or making void or voidable Declarant's right to receive the Recreation Facilities Charge or enforce its collection will not be incorporated into this Declaration by reference. All other references to applicable laws and regulations will incorporate amendments to those laws and regulations.

12.11 **Duration and Renewal.** This Declaration (but excluding the easements created in this Declaration, which are perpetual) and the terms, provisions, conditions, covenants, restrictions, reservations, regulations, burdens, and liens contained in this Declaration, including, but not limited to, the provisions for assessment of Lots, shall run with and bind all of the Lots and inure to the benefit of Declarant, the Owners, and their respective legal representatives, heirs, successors, and assigns, for a term of 90 years from the date of this Declaration. After the 90-year term, this Declaration shall be automatically renewed and extended for successive periods of 10 years each, unless at least one year before the termination of the 90-year period, or before each 10-year extension, as the case may be, there is recorded in the Public Records an instrument agreeing to terminate this Declaration. This instrument must be signed by a majority of all Owners and all Mortgagees, and this Declaration shall be terminated on the

expiration of the 90-year term or the 10-year extension during which the instrument was recorded, as the case may be.

IN WITNESS WHEREOF, Declarant has caused this Declaration to be executed the day and year first above written.
